*He that rejecteth me, and receiveth not my words, hath one that judgeth him: the word that I have spoken, the same shall judge him in the last day.*

John 12:48

The Lord Jesus' ministry can be characterized by conflicting receptions: some believed on Him, some did not. Some welcomed Him and His teachings at the expense of their own lives. Many lost their lives because they believed in the Lord Jesus. Yet others welcomed Him but kept their faith secret. Nicodemus was one

man who kept his faith hidden. Yet there were others who outrightly (either passively or actively) rejected the Saviour of this world. The Lord Jesus made it clear that He did not condemn sinners when they rejected Him, but the words that they spoke condemned them.

## from the pastor's heart

When the word of God is spoken, there is life to be received, blessing to be obtained, and strength to be increased. Conversely, death, cursing and weakness await anyone who rejects the word of God. Notice three important lessons about the nature of the Word of God.

### **The Word of God has inherent authority**

The word inherent means an inseparable and permanent quality. Authority is in the word of God and the Word of God is authority. When it is spoken, it is the "voice of Him that sitteth on the throne of Heaven." It is similar to a rule that is enacted in a country or a rule ordered by a king. Likewise, the message in Scripture is the power and therefore, it demands compliance to it because the words and the message bear the will of God.

### **The Word of God has the authority to be the judge of men.**

The Lord Jesus says this, "The words that I have spoken, the same shall judge him." Men will have to stand before the Word of God and have their works, attitudes and

character judged (to be discerned and discriminated). One may ask, "How does the Word of God have the authority to judge men, since it is only but paper and ink?" The reason that the word of God has authority is because they are the very words that came from the breath and being of God. All Scripture is given by inspiration of God (2 Timothy 3:16). Therefore, what is spoken, is authoritative.

### **The Word of God will be the final judge.**

The Lord Jesus said in this verse that His word will be the judge at the end of this world, or the last day. In Jewish thought, the last day is an important day whereby everyone will pass before God the Judge, and the fate of the wicked will be decided. In Jewish teachings, books which record the deeds of people that will be reviewed will be opened and judgment will be passed. God's Word will be the standard by which the sentence will be meted out at that day.

*The Word of God is  
authority*

## thought for the week

Are we a help to the will of God  
or we a hindrance?

## memory verse

Thy words were found, and I did eat them; and thy word was unto me the joy and rejoicing of mine heart: for I am called by thy name, O LORD God of hosts.

# FRIDAY CHURCH NEWS NOTES

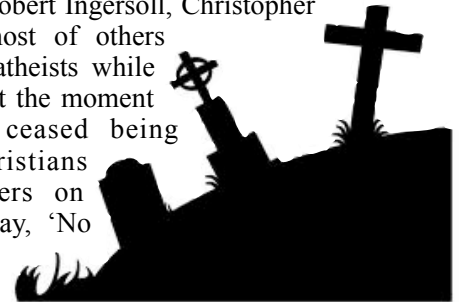

## POOR TEMPORARY ATHEISTS

The following is by Pastor Buddy Smith, Malenda, Queensland, Australia, [smiletex@bigpond.net.au](mailto:smiletex@bigpond.net.au) -- "Christopher Hitchens, one of the most militant atheists of our generation, died recently. Another poor temporary atheist. Somebody needs to tell the modern crop of infidels that there are no atheists in the cemetery. Why? Because whichever viewpoint you hold eliminates atheists after they die.

**Consider how a Christian views the death of an atheist.** According to the Bible, atheists go to hell when they die to wait in torment for the judgment of the Great White Throne and the Lake of Fire. In hell the atheist knows that the God of the Bible is real and that he is accountable to him for his angry rejection of Christ. A man who knows that God has put him in hell for his sins is no longer an atheist. He may still hate God and rail against Him, but he can no longer deny the existence of God! There are no atheists in Hell. Universalists, Unitarians, and muddle-headed modernists would like us to believe that atheists go to Heaven, like everybody else (they think), but there are no atheists in Heaven. No man comes to the

Father but by Christ, so there are no atheists in Heaven. **Don't believe the Bible? Well consider how the atheist views his own death, and you will still see that atheism is temporary.** The atheist believes that there is no life after death. He believes he ceases to exist the moment he dies. So if he ceases to exist at death, then his atheism ceases the instant his conscious existence ceases. By his own admission, death makes him a non-existent atheist, and non-existent atheists are not atheists! It's a fact that there are no atheists in eternity. And there are no atheists in the cemetery. **So where are the atheists?** They are here on earth for a little while, angrily denying the existence of the compassionate God who gives them their every breath and every good thing that they enjoy every day of their lives, foolishly rejecting His gracious offer of eternal salvation. And then death comes knocking, and they cease to be atheists. Poor temporary atheists. Voltaire, Robert Ingersoll, Christopher Hitchens, and a host of others called themselves atheists while they were alive, but the moment they died, they ceased being atheists. We Christians should put markers on their graves that say, 'No longer an atheist!'"

## "CHRISTIAN" PRIESTS FIGHT IN BETHLEHEM

It happened again last year. A fight broke out in December in the Church of the Nativity in Bethlehem between rival groups of Greek Orthodox and Armenian priests and monks who fought over boundaries of jurisdiction. Armed with brooms and fists, the 100 or so "clerics" went at it until police could restore order. This has happened repeatedly at the Church of the Holy Sepulchre in Jerusalem. Unbelievers mockingly say, "See how those Christians act!" What they

don't understand is that these aren't true Christians. They are followers of a Christianized religion that is built on human tradition rather than the Bible. Further, their actions prove that the Bible is the divinely inspired Word of God, because the Bible prophesied about the rise of false teachers who would come in the name of Christ but would bring reproach upon Christ by their unchristian deeds. "But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. And many shall follow their pernicious ways; by reason of whom the way of truth shall be evil spoken of" (2 Peter 2:1-2).

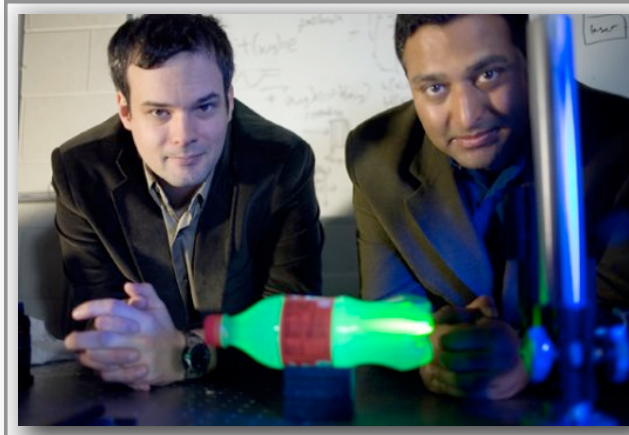

*Palestinian police officers intervene in a fight that erupted between Greek Orthodox and Armenian clergymen during the cleaning of the Church of the Nativity in the West Bank town of Bethlehem.*

## KNOWLEDGE SHALL INCREASE

Last year's inventions include the following: **An optical microscope that can see objects of 50 nanometers**, which is 20 times smaller than the previous record of 0.001 millimeters ("World's Most Powerful Optical Microscope," *Science Daily*, Mar. 2011). This is beyond the theoretical limit of optical microscopy, which only reminds us that modern science knows very little actually and that theories are not facts. The new microscope, which has advantages over the electron microscope, can potentially view inside human cells and examine live viruses in great detail for the first time. **An endoscope that can provide high-resolution optical images of the interior of a living cell** ("Single Cell Endoscope," *Science Daily*, Dec. 20, 2011). Developed by the U.S. Department of Energy's Berkeley Lab, the endoscope can "manipulate light at the nanoscale inside living cells for studying biological processes" as well as "deliver payloads into cells with spatial and temporal

specificity." **A trillion-frame-per-second video camera** which is fast enough to produce a slow-motion video of a burst of light traveling the length of a one-liter bottle, bouncing off the cap and reflecting back to the bottle's bottom ("Trillion-Frame," *Science Daily*, Dec. 13, 2011).

**Micro-generators that harvest electro-mechanical energy from the wings of insects to power onboard micro-surveillance equipment** ("Government Eyes Turning Bugs into Spies," *WorldNetDaily*, Dec. 3, 2011). Tiny probes near the base of an insect's antennae or implanted in the central nervous systems also allow government researchers to control the creature's brain. About 2,500 years ago, during the Medo-Persian Empire, an angel told the prophet Daniel,

"But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased" (Daniel 12:4). The Psalmist said, "Thy word is true from the beginning: and every one of thy righteous judgments endureth for ever" (Psalms 119:160).

## JEWISH TEMPLE SEAL FOUND

In December 2011, a seal associated with ritual purification rites in the Second Temple was found. The seal was discovered during excavations under the Robinson's Arch in the western wall of the Temple Mount. The seal, which is inscribed with the Aramaic words "Pure for God," was found in soil dating to or just prior to the first century A.D. Archaeologist Eli Shukron of the Israel Antiquities Authority and Professor Ronny Reich of the University of Haifa said: "It constitutes direct archaeological evidence of the activity on the Temple Mount and the workings of the Temple during the Second Temple period" ("Seal Found in Temple Mount Excavation," *Jewish Press*, Dec. 26, 2011).

## MUSLIMS THROW ACID ON CHURCH LEADER

On Christmas Eve, Muslims threw acid on Umar Mulinde, pastor of Gospel Life Church in Manasuba, Uganda, and a convert from Islam. The vicious attack left him with severe burns that have blinded one eye and threatened sight in the other. "From his hospital bed in Kampala, he told *Compass* that he was on his way back to the site for a party with the entire congregation and hundreds of new converts to Christianity when a man who claimed to be a Christian approached him. 'I heard him say in a loud voice, Pastor, Pastor, and as I made a turn and looked at him, he poured the liquid onto my face as others poured more liquid on my back and then fled away shouting, Allahu akbar [Allah is greater],' Mulinde said, still visibly traumatized two days after the assault. ... 'The burn caused by the acid is so severe that there is an urgent need for specialized treatment,' said area Christian Musa Baluku Symutsangira. ... 'I have been receiving several threats for a long time, and this last one is the worst of all,' Mulinde said. Mulinde is known for debates

locally and internationally in which he often challenges Muslims regarding their religion. His extensive knowledge and quotation of the Quran in his preaching has won him enemies and friends. Often criticizing Islam, he has relied on police protection during revival campaigns throughout Uganda. ‘Mulinde poses a big threat to those who cannot take the challenge as he engages the Muslims in debate,’ said Dr. Joseph Serwadda, an area church leader. Mulinde is married and has six children ages 14, 12, 8, 6 and twins who are 3. Mulinde has faced several injuries and attacks from Muslims since his conversion to Christianity in 1993” (“Muslim Extremists in Uganda” *Christian Post*, Dec. 28, 2011).

**PALESTINIAN AUTHORITY  
SAYS ISRAEL MUST BE  
DESTROYED**

The following is excerpted from “Israel Must Be Destroyed,” *Strategy Page*, Nov. 7, 2011: “The Palestinian Authority (which actually only represents 60 percent of Palestinians, who live in the West Bank) is in trouble again. Palestinian Authority (PA) leader, Mahmoud Abbas, was recently seen in an Egyptian TV interview stating flatly that the PA would never recognize the state of Israel and was determined to destroy Israel. While anyone who follows Palestinian Arab language media (especially TV) knows this, the PA represents itself to the UN and the non-Moslem world as receptive to peace with Israel, and with the establishment of a Palestinian state that would coexist with Israel. Yet Palestinian TV and newspapers constantly depict Israel as, well, not existing. Maps of the area show Israel as part of a greater Palestine. This is all done in a matter-of-fact way, especially in schools. The other 40 percent of Palestinians are in Gaza, and controlled by Hamas (recognized worldwide as a terrorist organization). Hamas is more direct about its goal of destroying Israel, and does not pretend to be negotiating a two-state solution.”

**CHOOK AND THE CHOOK-PREACHER**

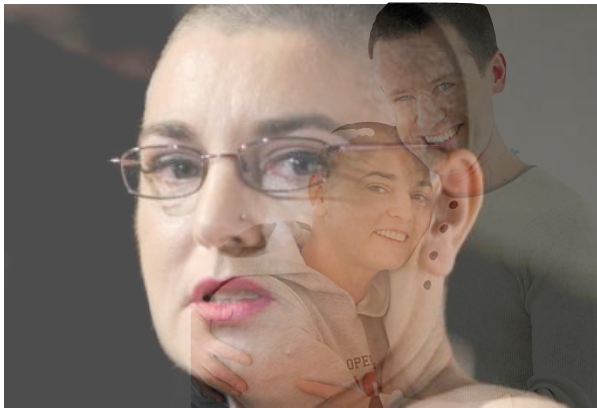

Chook, the Adelaide Zoo’s acclaimed lyrebird, has died. In the new book *Seeing the Non-Existent: Evolution’s Myths and Hoaxes*, we wrote the following: “Some birds can even recreate other non-bird sounds in nature and man-made noises. The Australian lyrebird, the king of feathered mimics, can imitate such things as the whirring of a camera’s motor drive and shutter, car engines and alarms, rifle-shots, explosions, a baby’s cry, a dog’s bark, and the screech of a chainsaw. There is a sound clip online of Chook, a lyrebird at the Adelaide Zoo, imitating construction equipment (<http://www.youtube.com/watch?v=WeQjkQpeJwY>). See also [http://www.bbc.co.uk/nature/life/Superb\\_Lyrebird](http://www.bbc.co.uk/nature/life/Superb_Lyrebird). These amazing feats require not only a wonderfully-

designed voice box but also marvelous intelligence, not only to control the voice apparatus but also to identify and recall sounds.” A pastor friend likened Chook to a preacher who merely repeats what his “crowd” believes. The Chook-preacher can imitate with amazing accuracy the position of the good old boy’s network, but he doesn’t think for himself with the Bible truly as his sole authority and Christ truly as his only Lord. I guess this isn’t fair to Chook, though, since he was only a bird, designed by the Creator to entertain humans, and had no wisdom with which interpret the meaning of the sounds he reproduced. The Chook-preacher has no such an excuse.

## ANOTHER ENTERTAINER MAKING A MOCKERY OF MARRIAGE

Foul-mouthed rocker Sinead O'Connor's fourth marriage, to Barry Herridge, lasted only 16 days. She says that one of her friends observed, "Well, at least you got married in Vegas in a pink Cadillac! Can't get more Rock n Roll than that" ("Website Says Sinead O'Connor's Marriage Over," KHOU.com, Houston, Texas, Dec. 28, 2011). O'Connor has described herself as "three-quarters heterosexual and a quarter gay" (*Entertainment Weekly*, May 2005). Few things if any have done more than rock & roll to destroy biblical morality in Western society. Rock & roll is the soundtrack of end-time apostasy. "Why do the heathen rage, and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the LORD, and against his anointed, saying, Let us break their bands asunder, and cast away their cords from us. He that sitteth in the heavens shall laugh: the Lord shall have them in derision" (Psalm 2:1-4).

**CONCLUSION:** The Friday Church News Notes is designed for use in churches and is published by Way of Life Literature's Fundamental Baptist Information Service. Unless otherwise stated, the Notes are written by David Cloud. Of necessity we quote from a wide variety of sources, but this obviously does not imply an endorsement. We trust that our readers will not be discouraged. It is God's will that we know the times (1 Ch. 12:32; Mat. 16:3) and that we be as wise as serpents and harmless as doves. The News Notes remind us that the hour is very late, and we need to be ready for the Lord's coming. Are you sure that you are born again? Are you living for Christ? "And that, knowing the time, that now it is high time to awake out of sleep: for now is our salvation nearer than when we believed. The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light. Let us walk honestly, as in the day; not in rioting and drunkenness, not in chambering and wantonness, not in strife and envying. But put ye on the Lord Jesus Christ, and make not provision for the flesh, to fulfil the lusts thereof" (Rom. 13:11-14). from the pastor's heart - continued

Dear Christian, do you realise that your works will be judged too, not at the Great White Throne but at the Judgment seat of Christ? The Judge will not be your pastor, parents, teachers or government officials but God Who will use His Word as the final standard. May we make the Bible our guide, principle, life and living and may we truly

have the mind of Christ. Christian, the Word of God is our final judge, therefore read it, love it, obey it and treasure it.

Lord, may I cherish Thy Word this year and beyond, and may its precious words be my light in this darkened world of sin.
